Certificate of Product Evaluation

Certificate Number: IC3S/DEL01/VALIANT/EAL1/0317/0007

Product Name: OAM (Operation, Administration & Management/ Maintenance) Module Version No. 10.00V20180912FS for VCL-MX Version 6 80 E1, 160Mbps Voice & Data Multiplexer

Assurance Level: EAL 1

Certificate Report No: IC3S/DEL01/VALIANT/EAL1/0317/0007/CR

Version: 1.0,   Dated: 12.12.2018

The product identified in the certificate has been evaluated under the terms and conditions of the Indian Common Criteria Scheme (IC3S), at CCTL North, the accredited testing laboratory   using the Common Methodology for IT Security Evaluation (Version 3.1) for conformance to the Common Criteria for IT Security Evaluation (Version 3.1).

This certificate applies only to specific version and release of the product in its evaluated configuration (Refer Annexure and Certification Report). The product's functional and assurance security specifications are contained in the Security Target and the conclusions of the Common Criteria Testing Laboratory in the evaluation technical report are consistent with the evidence adduced.

This certificate is not an endorsement of the product by any agency of the Government of the India and no warranty of the product is either expressed or implied.
